

The Holland Road PTA is excited to announce the  
**9th Annual Christmas Bazaar**, held in the school on  
Wednesday, December 19!

This is how it works:

1. Predetermine with your child the people they wish to buy for (Mom, Dad, sister, etc.)
2. Make gift tags for each person and have your child bring them to school on Dec. 19
3. Try to give your child the correct change for their purchases.

Adult gifts are \$2 and sibling gifts are \$1

4. Open your special gift on Christmas morning and get as excited as your child was when he/she purchased it for you! They really do love surprising us!

We ask that you start sending in small, **gently used** (or new) items to be **purchased by the students** at the bazaar. Remember that the students have to take them home on the bus! To ensure we have enough gifts for the sale, please send in at least the same number of gifts that your child intends to buy. Extra donations are certainly welcomed and very much appreciated! The students will have the chance to shop for 2-3 people on their list during the first visit to the bazaar. If they have more purchases to make they will have a 2<sup>nd</sup> chance to shop once all classes are through, while supplies last! Unused donations will be picked up by a local charity.

Here are some donation suggestions (we are always in need of **DAD** and **TEEN** gifts):

- \* Mugs, crafts, Golf balls, sports gear, Sports team products, fishing flies
- \* Ties, scarves, gloves, belts, jewelry, ornaments, novelties, candles, picture frames
- \* Small toys, games, puzzles, tools, key chains, pens

We ask that all items be in **before December 16th**. Bins will be available at the school this week. **Thank you for your participation!** We will definitely need parent volunteers! If you can help, please circle and return to school or contact [hanna.smith@canada.ca](mailto:hanna.smith@canada.ca)
