

Halifax Regional Centre for Education Summer  
2022 Workshops for Students  
HRCE Speech Language Pathologists

July 4-August 26, 2022

Halifax Regional Centre For Education  
[www.hrce.ca](http://www.hrce.ca)

**Halifax**  
Regional Centre for Education

Members of our Speech Language Pathology (SLP) team are offering a variety of workshops for students in grades 1-8.

What do you need to participate in HRCE virtual summer workshops?

- A device that allows your child to connect to their school Google account so they can access Google Meet.
- Call 902-464-2000 ext. 2019 to register for workshops
- Complete and return our consent for participation form. (We will email this to you once you complete the registration form)
- All workshops are free and you can register for multiple weeks.
- Registration is for 1 week and for the same hour each day (either 9-10am, 10:30-11:30am, 12:30-1:30pm or 2:00-3:00pm). Shortened weeks will be highlighted in terms of sessions
- Workshops are about 60 minutes long.
- Parent workshops are 90 minutes long. Email address required so that invitation can be sent.

Frequently Asked Questions About Virtual Workshops:

Q: Where and how do I return the consent form for workshops?

A: The consent form is a word document. You can type in your child's name and your signature and date. Please return via email to [Debbie.ryan@hrce.ca](mailto:Debbie.ryan@hrce.ca) You can send as an attachment to the email or take a picture and send.

Q: Are the workshops an online therapy group?

A: No, workshops not a clinical or therapeutic group. The goal of the workshop group is to have fun and build skills and interest in different areas of communication and literacy related activities

Q: Are these workshop groups private?

A: We are using the same Google Meet platform that your child's teacher uses. We will take precautions to allow only registered children into the online workshop.

Q: Are these workshop groups confidential?

A: These are not therapeutic groups; the nature of these workshops limits the ability to insure that privacy and confidentiality are guaranteed. By registering your child in these social sessions, you are accepting these limitations – these are workshops only.

# Speech-Language Virtual Programming

## Overview: Summer 2022

### Registration Capacity:

- **Virtual student speech-language groups:** 15 registrations
- **Virtual Parent Information Workshops:** 75 registrations

### Virtual Student Speech-Language Group Descriptions:

- **Description Detectives (grades 1-2)** - Did you know your brain can learn up to 50,000 words? Come and learn to organize these words in your brain so you can describe them with detail! You will learn new words to become a details detective. By the end of the week, you will be bursting with details to describe every word you know.
- **Vocabulary Vibes (grades 3-4)** - Did you know your brain can learn up to 50,000 words? Come and learn to organize the words in your brain and describe words so you can with detail! Expand your vocabulary and learn to express yourself with energy. By the end of the week, you will be bursting with details to describe every word you know.
- **News Flash (grades 4-5)** - Join the HRCE speech-language pathologists to improve your language skills by learning how to understand the news. Explore crazy and interesting things happening around the world, learn to tell real news from 'fake news,' and get your silliest captions ready! By the end of the week, you will be ready for a career as a journalist.
- **News Flash (grades 6-8)** - Join the HRCE speech-language pathologists to improve your language skills by learning how to understand the news. Explore crazy and interesting things happening around the world, learn to tell real news from 'fake news,' and get your silliest captions ready! By the end of the week, you will be ready for a career as a journalist.
- **Word Wizards - Boost Your Reading Skills (grades 1-2)** - Develop your reading skills with the HRCE speech language pathologists this summer! In this group we will use stories and games to help boost your child's knowledge of sounds in words. The ability to count syllables, rhyme, break apart words and blend sounds into words are crucial for becoming a successful reader!
- **Playing with Sounds - Boost Your Reading Skills (grades 2-3)** - Develop your reading skills with the HRCE speech language pathologists this summer! In this group we will use stories and games to help boost your child's knowledge of sounds in words. The ability to count syllables, rhyme, break apart words, and blend sounds into words is crucial for becoming a successful reader!
- **Social Spotlight (grades 4-5)** - Engage in fun activities and student-led discussions about making friends, joining conversations, sharing information and solving conflicts! This group will help students feel more confident during social interactions both in and out of school.
- **Social Spotlight (grades 6-8)** - Engage in fun activities and student-led discussions about making friends, joining conversations, sharing information and solving conflicts! This group will help students feel more confident during social interactions both in and out of school.

## Virtual Parent Information Workshop Descriptions:

- **Success in Reading- Foundations for Reading Skills** - Parents can play a big role in helping their children succeed in reading. Learn from the HRCE speech-language pathologists how to help your child think about sounds in words, read words by sounding them out, and other important skills. You will learn easy strategies and ideas to add to your daily routines and activities. Your children will be well on their way to becoming successful readers!
- **Building Language with Books** - Books are powerful teaching tools. Join the HRCE speech-language pathologists to learn how to use books to improve your child's language and reading skills. You will learn how to talk about books in a way that gets your child to think about the story and learn new words. You will have tons of new ideas by the end of this workshop!
- **Make Words Sparkle- How to Build Vocabulary at Home** - So many words, so little time! Vocabulary is important for success with speaking and reading. Parents can make words sparkle and help their child improve vocabulary! Learn from the HRCE speech-language pathologists how to teach words in a way that is fun and engaging for children of all ages.
- **Preparing for Primary** - Is your child getting ready to enter primary? If so, join the HRCE Speech-Language Pathologists as we discuss school-based speech and language services, and expected communication milestones for this age group. We will also talk about ways to support your child's education journey using fun activities to enhance their speech, language and literacy skills.

## Student speech-language groups (all groups are five sessions unless specified)

- **News Flash (grades 4-5)** - Join the HRCE speech-language pathologists to improve your language skills by learning how to understand the news. Explore crazy and interesting things happening around the world, learn to tell real news from 'fake news,' and get your silliest captions ready! By the end of the week, you will be ready for a career as a journalist.
  - **August 22<sup>nd</sup> to 26<sup>th</sup> 10:30-11:30 am**
  - **To register: please call 902-464-2000, ext 2019**
- **Word Wizards - Boost Your Reading Skills (grades 1-2)** - Develop your reading skills with the HRCE speech language pathologists this summer! In this group we will use stories and games to help boost your child's knowledge of sounds in words. The ability to count syllables, rhyme, break apart words and blend sounds into words are crucial for becoming a successful reader!
  - **August 22<sup>nd</sup>-26<sup>th</sup>**
  - **To register: please call 902-464-2000, ext 2019**
